(Use "Search" on www.internationalcitiesofpeace.org to see if your community is already a City of Peace -- only one is allowed) If all is clear, then write a Peace Statement about challenges and solutions for your community, as well as any historical and current issues.
2. **PEACE TEAM:** You and **four additional team members** who live and/or work in the community must approve and provide their email for this initiative. Provide background on you, an optional second leader, as well as individuals and community partner organizations involved. Provide a contact email for folks to contact this initiative.
3. **VISION, MISSION, GOALS:** Very important and profound! Provide an overview vision and mission, as well as specific goals and objectives, for how you will work to increase the safety, prosperity, and quality of life in your specific community.
4. **PHOTOS:** Gather three (3) **non-copyrighted photos** in either .jpg or .png format of your community, a local event, and one of you and/or your peace team. (You will take responsibility for ensuring no copyright or plagiarism that could risk liability to International Cities of Peace.)
