Associations members: United Nation Association of Nigeria, OSHA, UK

International Society for Peace and Safety, (ISOPS) is a Non-governmental Organization, with a network of individuals in every nook and cranny of Nigeria. The organization was founded in 2012 and registered in Nigeria in 2015 with CAC No 78612 to assist in restoring peace, safety and human rights in Nigeria and worldwide.

Vision: Help create a world in which all humanity will live together in peace, prosperity through non-violence means.

Mission: To spread the work of peace, safety and human rights through education, training, and an enlightenment program with network of individuals and organizations with like minds.

Our Goals: Educating young people in schools, community and workplaces so that they will understand their rights and respect the rights of others. Work safely and create generations of young people who are committed to peace in themselves, in their communities, and in the world.

Our Collaborating Organizations

- United State Institute of Peace (for peace building)
- Peacejam Foundation (for Peace Education)
- International Cities of Peace (for peace building)
- Youth for Human Rights International (for human rights education)
- United for Human Rights (for human education)
- OSHAssociation UK (for safety education)
- National Human Rights Commission, Nigeria (for human rights education)
